Dear Mr. Brown:

On behalf of the Honourable Benoît Bouchard, I wish to thank you for your letter of July 30th, with enclosure, regarding the use of sulphites as a food preservative.

Mr. Bouchard has carefully read your letter and noted your decision not to complete the 1986 census form as a means to protest the legal use of sulphites in Canada. However, as responsibility for such matters rests with the Minister of Health and Welfare, Mr. Bouchard has asked that I refer your letter to the Honourable Jake Epp for his information and consideration. In view of your decision respecting the census, I have also forwarded a copy of your letter to the Minister responsible, the Honourable Monique Vezina, Minister of Supply and Services.

Once again, thank you for bringing your concerns to the attention of Mr. Bouchard.

With every best wish,

Yours sincerely,

Bonnie Smith  
Secretariat Officer
